Business Development Mobile App

Overview

With LE's Business Development Mobile App, using LE's Database of Hotels & Decision-Maker Contacts has never been more convenient.

Whether you are on the road or in your home or corporate office, you can search LE's database of hotel & contacts records on your iOS and Android mobile devices to find the latest:

- new construction projects
- announced renovations
- brand conversions
- sales transactions
- open & operating hotels
- decision makers with contact details

To download the LE Mobile App, click the icons below:

If you are having a problem downloading the app or need help with LE's database, please contact LE's Client Concierge Services Department: concierge@lodgingeconometrics.com.
